

What's in Your Bucket?

Get Started on Your Preparedness Bucket List Today!

Have you started on your **preparedness bucket** list? It's quick to do, and ReadyOC – Orange County's emergency preparedness resource – can help!

Your bucket list consists of **basic items you'll need in case of an emergency** – like an earthquake or wildfire. It could save your life and protect your family. But it only works if you get started before a disaster strikes.

Starting on your preparedness bucket is fast, easy and inexpensive*. You can even use an actual bucket to begin!

To help community members get a jump-start on their lists, ReadyOC is distributing up to 5,000 free buckets during 2013. Want a chance to win one? Go to ReadyOC.org, click on Promise to Prepare and follow the prompts.

Getting your bucket list started is as easy as 1, 2, 3:

1

Get a bucket . . . or two, three or four!

2

Add in the basic elements you'll need such as water, food, a first aid kit and a flashlight

(for a complete list, go to ReadyOC.org)

3

Put your bucket(s) in a safe, accessible place like your garage. You've taken a step towards preparedness. Now keep it going!
